Subject:- Grant of permission to Mr. H.N. Doresami Rao of Tumkur to edit and publish a fortnightly Kanada Journal by name 'Karnika'.

With reference to your Memo. No. J.C.44/35 dated 20-9-35 on the above subject, I have the honor to state that the applicant is a young man of 25 years of age. He is the son of one Mr.H. Narayana Rao of Honnudike who is retired Head-Munshi of Gubbi Sub Division Office, Tumkur. He says that he does not belong to any shanbhog families either by hereditary right or in any other way. He has passed S.S.L.C. in 1928. For about 2 years i.e. from 1928 to 1930 he was working in the printing press of shanbhog & Co., now called the Tumkur Electric Press. From the year 1930 he was the Manager of Krishna Cinema, Tumkur, the proprietor of which is Mr. B.N. Padmanabhiah. Of late he is not employed anywhere. He is a married man with two children and he is ascertained to be of good behaviour and character. His father pays an assessment of Rs.100/- as Land Revenue to Government. He has got an elder brother who is a School Master in Sowar Lines Middle School, at Bangalore City. He has not previous journalistic experience nor has he qualified himself in journalism. He says that he will himself edit the paper and get it printed in any press where the cost would be cheaper. It seems his brother at Bangalore has promised to get the applicant good articles by famous people contributed to the would-be paper. He says that he would compile for the major part a number of useful articles from several papers for the upliftment of the villagers in general and shanbhogs in particular. He wishes to set apart some column of his paper for hygienical and medicinal instruction to the Rural Parts. He promises that he would not write anything against Government nor comment adversely upon the new Govt., Order about the policy of Government in appointing stipendiary village accountants. I rather doubt very much whether this young man's ideas have crystallised into any definite objects with which he is going to edit the paper. Again, on my definitely questioning whether he has got any idea of co-operating with shanbhogs Siddanarasiah who has

has recently been refused permission to edit and publish a paper under the name of 'Shanbhogara Patrike' the applicant says that he has absolutely no connection with the latter. He says that he will himself run the paper having a policy of his own.

Under the above circumstances I am of opinion that this ambitious young man may kindly be permitted to edit and publish the said journal on probation for a period of six months.
